

H. Simmons, Sr. Small Business Learning Center

Training division of Greater North Louisiana CDC

Instructor Questionnaire – (you may download & fax to 318.395-9353)

Explanation of what we do:

The H. Simmons, Sr. Small Business Learning Center training division of the Greater North Louisiana Community Development Corporation has entered into a cooperative endeavor agreement with Louisiana Economic Development (LED) and Grambling State University (GSU). This endeavor is designed to assist Louisiana's small businesses with entrepreneurial training, legal needs, marketing, computer skills and accounting. This means that if you are certified by the State as a Small & Emerging Business (SBC), GNLCDC as an intermediary under the agreement, has funding to train entrepreneurs who are enrolled in the program with the entrepreneurial and business development skills necessary to become successful in their business ventures.

Classes will be offered to participants in a 7 parish area who are interested in starting a business or who have a business they would like to expand.

Classes will be 2 hours in length with one hour prep time per week. Instructors will work from handouts of your own design. It will take 5 participants for a class to make (unless special arrangements are made) with a maximum of 15 participants in a class.

Does this sound like something you would be interested in?

(A stipend will be paid to the instructor)
